**AFFIDAVIT OF VINCENT PAUL YOUNG, JR.**

STATE OF

COUNTY OF

**BEFORE ME**, the undersigned authority, on this day personally appeared Vincent Young, Jr., who being by me duly sworn, upon his oath, states as follows:

1. "My name is Vincent Paul Young, Jr. I am over the age of 21 years, am of sound mind, and am capable of making this affidavit.
2. "The facts stated in this affidavit are within my personal knowledge and are true and correct.
3. "I am the Plaintiff in this case.
4. "The Defendants are Ronnie T. Peoples ("Peoples"), Peoples Financial Service, Inc. ("PFS"), Major L. Adams, II ("Adams"), Pro Player Funding, LLC, Darian Dash, Individually and Brian J. Jedwab, Individually.

5. "I do not recall ever meeting with or communicating with any representative from Pro Player Funding, LLC concerning a loan or any other matters.

6. "I do not recall ever being presented with or reviewing documentation or agreements relating to any loan from Pro Player Funding LLC, nor do I recall ever signing such documentation or agreements. I do not recall signing the signature pages that have been submitted as being attached to the documentation on this loan transaction. I do not recall discussing the transaction with anyone or receiving any legal advice regarding this loan transaction.

7. "To the best of my knowledge, I have never received any proceeds of a loan made by Pro Player Funding, LLC, nor do I know the current status of, the location of, or who controls any funds from a loan allegedly obtained by me from Pro Player Funding, LLC.

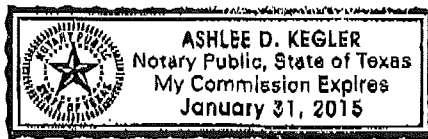

8. "In early August of 2012, I attended training camp with the Buffalo Bills at St. John Fisher College in Rochester, New York. As I was walking from the housing complex to the football practice field, I was approached by a man from a crowd of spectators who said he wanted to hand me something. He did not say what he wanted to give me. Security personnel immediately intervened and escorted the man away from the training facility before he spoke to me further or handed me any papers. At the time, I did not think much about the incident as it was not uncommon for the Bills players to be approached by fans seeking autographs or photos in this area. I later learned that apparently this same man delivered documents to the administrative office at the training camp later that same day. It was only then that I realized that the person who approached me was attempting to serve me papers regarding this alleged loan.

9. "It has been brought to my attention that Pro Player's attorneys and their agents had been seeking service against me at training camp for several weeks until I was released."

"FURTHER AFFIANT SAYETH NOT."
